Saving Souls One House at a Time

March Newsletter

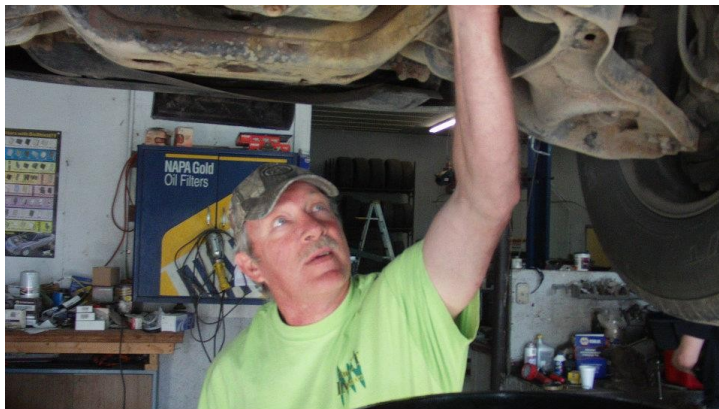

2013

Greetings to all of our friends!

Just a brief note to let everyone know how things are going well here at the Impact Project. We have enjoyed many blessings this past year, including the generous, heartfelt donations of time, effort, and materials, as well as financial gifts from our many friends and supporters. We continue to grow at a rapid pace and appreciate all of you so very much!

This ministry continues to touch the lives and hearts of not only the families we assist, but also the volunteers who so often speak of how blessed they are to be part of what we do, as well as the untold number of passersby who stop to inquire about the strange people in lime green shirts.

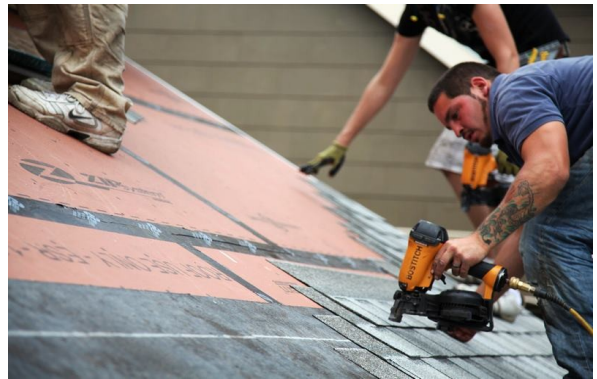

The Impact Project hit the ground running into 2012 season with our free oil change Day at Wrench's Village Auto in downtown Greene.

Next on the agenda came our ribbon cutting ceremony of our newly constructed headquarters building in Greene, NY. After 2 years and 132 volunteers we got it done. We couldn't have done it with you and your support. We were so happy to see so many familiar faces at the ceremony held last spring .

*By this all men will know you are My disciples, if you love one another.
John 13:35*

We were pleased and proud to assist Jim and Darlene Kittle with a new roof, a new furnace, new front windows and landscaping. We also helped Pat McGowan with a new roof and landscaping, and Rebecca Randall with new concrete walkway and ramp. We were able to provide a new roof and much needed interior work for Karen Cahill.

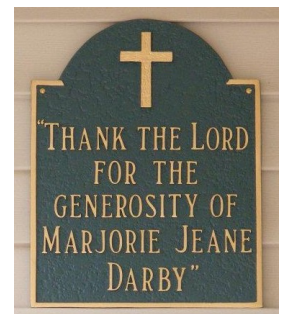

So many wonderful people have been a part of this ministry that we cannot thank you all individually. However, you know who you are and how much you are valued. Glory be to God for all the precious moments he continues to allow us to be a part of.

As 2012 came to close and 2013 was right around the corner. The Impact project took on its largest project ever. The complete demolition of Irma McGowan's trailer. In 2013 We'll be bringing in a new one for her to start a new beginning. Stay tuned for details !

As we forge ahead, Jesus calls us to a continuous life of service, to help the marginalized, the oppressed, the lonely and the hurting.
