*Saving Souls One House at a Time*

January Newsletter

2014

*Greetings to all of our friends!*

Just a brief note to let everyone know how things are going here at the Impact Project! We have continued to enjoy many blessings, including the generous, heartfelt donations of time, effort, and materials, as well as financial gifts from our many friends and supporters. We continue to grow at a rapid pace and appreciate all of you so very much!

The **Schoener** family was using two small space heaters purchased at Walmart to heat their entire residence. With cold winter temperatures fast approaching, they were desperate for options. Five days before Thanksgiving, The Impact Project, in a partnership with FW Webb, installed a brand new furnace.

For more information or to volunteer please see our website at [www.theimpactprojectgreene.org](http://www.theimpactprojectgreene.org) or follow us on Facebook!

Two weeks before Christmas The Impact Project went to Johnson City, NY to help **Mary Pratt**. After battling cancer for over two years, trying to fix her water-damaged home was just too much for her to handle. In five days with the help of almost two dozen volunteers from five area churches, we replaced her home electrical service, repaired and replaced 6 windows, totally gutted and remodeled her only bathroom and repaired all the plumbing issues she had as well. Mary was the 60<sup>th</sup> homeowner that we've assisted since our inception.

It's been over nine years since The impact Project was started. We have had over 1300 volunteers donate their time to help restore the lives of 60 families in the Southern Tier. In 2013 alone we provided assistance to 7 families. If you would like to be a part of helping people in the Southern Tier, please consider making a donation. Donations can be sent to: The Impact Project, 4 Clinton St., Greene, NY 13778.

As we forge ahead, Jesus calls us to a continuous life of service, to help the marginalized, the oppressed, the lonely and the hurting.
