

THE IMPACT PROJECT

Greetings to All of Our Friends!

Just a brief note to let everyone know how things are going here at the Impact Project. We have continued to enjoy many blessings, including generous, heartfelt donations of time, effort, and materials, as well as financial gifts from our many friends and supporters. We continue to grow at a rapid pace and appreciate all of you so very much!

On Saturday, November 22nd several dozen people came together to build a handicap ramp for Bea Lobdell in the town of Smithville. As the day went on the volunteers encountered cold temperatures, snow, rain and sleet. It didn't matter to this group of volunteers and 5 hours later Bea had a new 46-foot handicap ramp.

Special thanks to United Methodist Church of Smithville, Saunders Concrete, Lowes in Norwich, Trojan House Deli and Countryside Stove & Chimney.
