

THE IMPACT PROJECT

Greetings to All of Our Friends!

Just a brief note to let everyone know how things are going here at the Impact Project. We have continued to enjoy many blessings, including generous, heartfelt donations of time, effort, and materials, as well as financial gifts from our many friends and supporters. We continue to grow at a rapid pace and appreciate all of you so very much!

On Saturday, June 6th over 70 volunteers congregated in Johnson City to install a new roof and electrical system, as well as replace the front ramp and re-landscape the property for Louise Soules. Louise, a retired widow and long time resident of Johnson City, has had a difficult time over the last couple of years. Every time it rained, water would come into her home in multiple locations.
